We receive excellent service from Fedex and the USPS, although occasionally a mishap occurs. Open any damaged packages in the presence of the carrier, and call us immediately so we can file a claim. If a package arrived damaged all packaging materials must be kept and may be collected and inspected by the carrier when investigating a claim. Missing packages must be reported to Italian Auto Parts, Inc in a timely manner to enable us to file a claim with the carrier. On any orders shipped by truck freight, signing for a shipment constitutes an acknowledgement that the order has been received in good condition; Italian Auto Parts, Inc cannot be held responsible for damage once a truck freight package has been signed for.
